Dear Sandy:

Enclosed are two samples of our generic logos which should be included on the revised A-ha poster. It is also important that the Dolby logo be included. The size requirement is 27" x 41" so that the poster can fit standardized movie theater frames.

Please call me today with the following information:

- a. Feasibility of Music Zap logo inclusion
- b. Feasibility of current poster size ratio to 27 x 41
- c. The cost for 2,000 posters ☒
- d. The soonest time posters could be available

ETA
Estimate

It is imperative that I have posters ready to ship out of New York no later than Monday July 22nd. If there will be a problem with that date, let's discuss another alternative.

I am also hoping we will have your negative by Wednesday, July 17.

Yes

Thank you for your cooperation. As I mentioned, Pamela Henning will be following up on all of this with you.
